

Viewpointe at Redondo Homeowners' Association

Proposal for Construction, Alteration or Improvements to Property

Please allow two weeks for review by the Architectural Review Committee.

The ***Declaration of Protective Covenants, Conditions and Restrictions (CCR)*** requires property owners to submit proposals for construction, alterations or improvements of any type to the Board of Directors of the Homeowners Association or its authorized representative. The board has designated the Architectural Review Committee (ARC) to review proposals and approve or make recommendations to property owners based on guidelines approved by the board.
